## CONGRATULATIONS CLASS OF '70

DR. GOLDING LOOKS ON AS 820 WSU STUDENTS RECEIVE THEIR DEGREES.

Mrs Marlo Andrews of 1802 Montgomery Ave, Fairborn, was top student graduating at Wright State University's third annual commencement on Sunday.

Mrs Andrews, a psychology major, has maintained a 4,000 grade average since coming to WSU two years ago. A native of Florida, she is married to Lt Duane Andrews who is stationed at Wright Patterson Air Force Base. Mrs Andrews will also be employed by WPAFB.

She was one of some 820 students and 58 honor students receiving degrees. About 5,000 friends and relatives attended the ceremony, which was held at the University of Dayton Arena.

Other Summa Cum Laude graduates include Margaret Kane, Rt 1, Yellow Springs, English; Janice Gabbert, 6851 Stonehurst Dr, Dayton, History; Barbara Proehl, 2111 Imperial Rd, Miamisburg, Elementary Education; Caroline Zsambok, 8801 N Dixie, Dayton, Sociology; Randall Solomon, 558 Elm Grove Dr, Dayton, Economics; Judith Good, 14171 Little Richmond, New Lebanon, Elementary Education; Carl Stocker, 2177 Broadbent Way, Kettering, Management; Susan Henderson, 7125 Dayton-Xenia Rd, Dayton, Elementary Education; Randall Hadley, 425 Winchester St, New Carlisle, Accountancy.

Joseph Louis Wollfolk, a victim of muscular sclerosis, of Dayton was given special recognition for completing studies in Sociology and History after six years of struggle.

The principal address was given by University President Brage Golding. Quoting Francis Bacon, who said "Knowledge is power," and Alexander Pope, who warned that "A little learning is a dangerous thing," Dr Golding told the graduates that they are now the recipients of a little knowledge and even less experience.

"I urge you to remake the world slowly," he said, "being careful to constantly add to your knowledge and experience as you go along." He cautioned those who might be classified as "zealots, for whatever cause...that God has probably not selected you alone to reveal his message, that contrary to current belief, humility, not arrogance is a virtue, and that by opening your ears and minds you may find different revelations.

"For those of you who belong to the no-longer-so-silent majority," he added, "I would suggest that you too open your ears and your minds to what concerned peoples are saying. We cannot go back, and it is clear today that standing still is regression.

### Continuing Education Offers Specialized Summer Workshops

Seventeen workshops are being offered this summer by the Wright State University Division of Continuing Education, most of them designed to meet the needs of teachers.

The workshops are generally offered for three to four graduate or undergraduate hours of credit and meet on weekdays.

Subjects from which to select range from Drug Abuse and the School, through Personal and Creative Writing, to Outdoor Education, which is to be held at the Outdoor Education Center in Yellow Springs.

Other topics include Analysis of Teaching, Production in Communication for Advanced Driver Education, Touch Shorthand, Moving into a Program of Individualized Reading, Introduction to the Education of Children, Business Teacher-Guidance Counselor Workshop and

three workshops in economics for teachers. A seminar in educational administration, Confrontation Management for School Principals and Counselors, will include a fall extern program.

Persons interested in any of these should contact the WSU Division of Continuing Education.

Letter. . .

To the Editor:

On June 1 the Student Government had a meeting to install the newly elected student body president and senators. When any one of the persons involved was asked about the meeting, complete ignorance of such a meeting was confessed. Old Senators and new Senators alike knew nothing. Results of the meeting netted five confused newly elected Senators. They had discerned (from some un-Godly religion) that there would be a meeting. These five souls arrived at 3:00 only to be confronted with emptiness. It was really amazing that only five of some thirty ODD Senators managed to get the word. Was the communication break-down between the Hunt Administration and the Senators? Was Hunt even informed, he didn't show. The lounge in the University Center was reserved by some member of the present Government Administration, WHO? Is the Student Government of Wright State University really a Farce? Either the people going out of power seem to think so, or they are highly apathetic. The Students of WSU had better see that the incoming Senate is run a little more efficiently for the Student Body's own GOOD--if the new Senators ever get installed.

Softball Ends

Thursday, June 4, Intramural Softball came to an end with the All-Campus Championship game at 4:00 on Field 2. BMF in the Green League played Captain Crunch & the Bunch in the Gold League for the championship. Each player on the winning team received a 3" by 5" plaque and the satisfaction of playing on the best WSU Intramural Softball team of 1970. Congratulations should be given to Mr. McPeak and the whole Intramural Sports Department for a fine sports program for WSU this past year. The Intramural Sports Department did a great job of organizing and executing a sports program for WSU students. The department hopes that even more students will take advantage of intra-collegiate sports at WSU in the future.

Four Athletes Receive Grants

The first four athletic grants-in-aid for Wright State University were announced Wednesday afternoon by WSU Athletic Director Don Mohr and Basketball Coach John Ross.

The renewable grants are for up to \$700 for fees and books.

Coach Ross made the selections. Recipients include James Minch of 1116 Woodland Drive; Gregory James McCurdy of 66 Laura Ave, Centerville; Bill Fogt of 1901 Covington Ave, Piqua; and David Magill of 848 Wellmeier. Magill, 6' 0" guard at Belmont High School, has a point average of 15.0 and rebound average of 4.0 last season. He received an all-city special mention for his performance last season, and was named player of the week. He also plays end and defensive halfback in football.

Fogt, 6' 2", 185 pounder from Piqua Central High School, was named most valuable and most improved player last year. He averaged 6.5 points and 14.5 rebounds during the past season. Fogt is also a defensive end in football and high jumper in track. He received an all league honorable mention in football.

McCurdy, 6' 7", 195 pound cen-

Karen Crowned Miss WSU

Tension mounted, eight WSU coeds waited in unbearable suspense. "And Miss Wright State for 1970 is. . . Karen Brown."

Karen was crowned Miss WSU on May 30 at the coronation dance held at the university center. Each contestant for the honor was interviewed by a panel of judges composed of students and staff right before the dance. They were all questioned by the panel and were also required to answer a question on stage during the coronation dance. Students then voted on their choice.

Karen, who is a 19 year old sophomore from Fairborn, was crowned by last year's Miss Wright State, Pam Taylor. A WSU cheerleader, member of Kappa Delta Chi social sorority and a senator, Karen has maintained a 3.2 accume here at WSU.

MISS WSU - KAREN BROWN

Use Of Guard Opposed By Faculty

The Wright State University faculty, meeting in special session June 3, voted to ask the Board of Trustees to pass a resolution opposing the dispatch of military or police forces to the campus unless specifically requested by either the University president or the board.

That resolution was a substitute for one proposed May 6, the day after four students were killed by National Guardsmen at Kent State University, which would have declared the faculty's disapproval "of the use of the National Guard on college campuses to deal with student demonstrations."

The faculty approved another resolution from May 6, "That we disapprove of the presence or the use of guns or firearms on our college campus" with the addition of the phrase "other than those authorized by the Board of Trustees."

(Wright State security officers are authorized to carry guns while on night patrol on campus and when accompanying money shipments).

A third resolution, calling for withdrawal of all American troops from Cambodia immediately, and from Vietman as soon as possible, was not passed. After spirited debate a substitute resolution was approved declaring the intention of the university community to "resist the politicization of the university" by any political or governmental group.

"The university has a positive obligation," in the words of the resolution, "to foster communication, dialogue, and good citizenship, and its resources should be used to promote these ends. The members of the university...should be actively encouraged to participate as individual citizens in the processes of democratic government."

The special meeting was called, by petition, after the faculty voted not to add the three resolutions to the already planned agenda of the regular semi-annual faculty meeting May 18.

son.

Minch was center and forward for Carroll High School last year. At 6' 5" and 180 pounds, Minch tallied 14.6 points and 16.6 re-

bounds last season. He was named most improved senior on his team.

## "I Remember When" Department

APRIL 22, 1970 - WSU CAMPSITE CELEBRATES EARTH DAY.

### Soccer Practice Begins In August

Mid August will see the beginning of practice for next year's Wright State Raiders' Soccer team. Any student interested in playing soccer for WSU should contact Mr. Mohr in the Student Aid Office.

Next year's soccer schedule includes five away and six home games. To accommodate for these games at home, WSU is improving the soccer field. The fence that sprang up around the field is to protect the new grass that

will be planted when the ground is graded and leveled.

## Bits and Pieces

### Requests Get Action

A quick reference area has been established at each end of the lower level of the LRC. Each of the areas includes a set of encyclopedias, a dictionary, a thesaurus, an almanac, and a statistical abstract.

The reference books have been placed on the lower level as a direct result of requests by students and faculty studying there. Effectiveness of these areas can be maximized if all users will reshelve the books immediately after having finished with them.

### Antioch Cancels

YELLOW SPRINGS, O. -- Because of the involvement of actors and staff with activities following the invasion of Cambodia, the Antioch Area Theatre has been forced to cancel its production of Shakespeare's "The Tempest" on June 11-14 and 18-20.

### Anonymous

The sores of millions  
Fester on the nation's flesh  
Wounded by war;  
Our president directs  
An operation on the wound  
That tears at the guts,  
That draws blood and puss  
From the sores of millions.  
The surgeon lacks compassion  
And skill; the patients  
Are blinded by blood-wrath;  
The young are impassioned  
By impending death, dreams  
Promising ashes, freedom,  
Revolution. The less young  
And privileged would rather  
Kill than be killed.  
We could all be killed by the wound.

Dr. Gary Pacernick  
Dept. of English

### Recognition Given

Wright State students of Advanced Voice and Diction donated their out-of-class practice time to a service project for handicapped students. They tape recorded three plays for the blind: "Anouilh's Becket," "The Good Woman of Setzuan," and Shakespeare's "Othello." The Speech 221 course is taught by Dr. Barbara Dreher and the students who participated in the project were: Linda L. Baltes, Ned S. Brown, Garry D. Burnside, Barbara Coy, Gerald R. Crum, Gregory K.
